

# BUS FARES IN SÖRMLAND

## Where do you want to go?

You have several fare options when you travel by bus in Sörmland. The easiest is to use a prepaid Travelcard which you charge either with Period Tickets or top up a credit with Pay As You Go (Reskassa). Or both. You can also pay by using our app. Using Pay As You Go (or our app) is 20% cheaper than buying a single fare with your bank card on the bus. You can't pay in cash on our buses. With your travelcard you can travel when and where you want throughout the county. You can buy a travelcard from one of our agents listed on: [sormlandstrafiken.se/ombud](http://sormlandstrafiken.se/ombud)
